MEMORANDUM FOR: Deputy Chief, Executive and Planning  
Division

SUBJECT : Hebert/Arends Bill to Establish a  
Commission on Information Protection  
and the National Security--H. R. 9853

1. This Staff has reviewed the information memoranda  
on Subject which were received by us yesterday.

2. We are encouraged by an effort to review procedures  
but would hope that safeguards on the protection of personality  
data dossiers are maintained (Security files, RID files, etc.) to  
assure that the privacy of the individual is maintained beyond any  
ritualized declassification date.
